LITTLE ALAMANCE FALL STREAM CLEAN UP

BURLINGTON, NC— The City of Burlington’s Water Resources Department invites local service groups, youth groups, and residents to participate in a Stream Side Cleanup of Little Alamance Creek on **November 15, 2014**. This Cleanup is co-sponsored by the Kiwanis Club of Burlington and Elon University’s Lambda Chi Alpha fraternity.

The Little Alamance Creek Clean Up offers volunteers a chance to make a difference for the environment by promoting the protection of water quality, riparian ecosystems, and recreational uses within Alamance County. Come out and join us as we remove trash, debris, and other items from the stream that have an impact on water quality.

Participants will meet for the cleanup at **9:00 am** on November 15, 2014 in the parking lot of the Water and Sewer Pipe Maintenance Building at 1103 South Mebane Street in Burlington, 27215. For more information or to register as a volunteer you can contact the City of Burlington at stormwater@ci.burlington.nc.us or call (336) 222-5140.

For more information on the programs these organizations offer see the following websites:
