

New Rule

Teams that are running short at game time will now be allowed to play with a minimum of 4 players to start the game. When the 5th player arrives he can enter the game at the next dead ball. The team that has 5 players at game time can play with 5 players. They do not have to play shorthanded. If a team has 3 players at game time they will get the 5-minute grace period (1st game of night). If the 4th player comes in during the grace period, the game will start with the 4th player's arrival; will not wait for the 5th player. The team who has 5 players can still play with 5.

Reminder: Participants who are ejected from a game must leave the facility in an expedient manner (2 minutes or less is considered expedient). Failure to do so will result in a forfeiture of the game. If participant does not leave facility, police will be called to escort the participant out of the facility. The participant could face a longer suspension. They cannot go to another gym to be a spectator.
