

# CITY OF BURLINGTON

## ENGINEERING DEPARTMENT

---

W. Todd Lambert, P.E.  
City Engineer

August 13, 2020

ADDENDUM No. 1

CONTRACT 2020-013

GREESON ROAD WATERLINE REPLACEMENT

CITY OF BURLINGTON, NC

By this addendum, the City of Burlington is changing, revising the specifications, plans, or bid information for the contract listed as follows:

### **Specifications and Proposal**

This project does not have project specific goals for DBE participation. For City funded projects, the City of Burlington has an aspirational goal of 10% participation citywide, and as such, does not place project specific goals. The City encourages the use of DBE subs within each contract and DBE subs utilized should be documented on the List of Materials Suppliers and Subcontractors form. As such, the following items are hereby altered / removed from the Specifications and Proposal:

**Table of Contents**, page 2 – Delete the index for DISADVANTAGE BUSINESS ENTERPRISE.....150

**Instructions to Bidders**, page 10 – Delete the entry for forms required to be executed and submitted for Listing of DBE Subcontractors / DBE Forms

All Bidders shall acknowledge Addendum 1 on this published day, 8/13/2020 on page 120 with their proposal submission.
